The Saskatchewan Century Corps (SCC)

The Why

Unemployment is **Rising**
The Cost of Living is **Rising**
Yet Wages have be **Stagnant** .

The What

A Crown Corporation
Mandated to **Build** and **Train** and **Pay**
The workforce of *tomorrow*
By doing the work of *today*.

The Pay

A living wage
Starting at **$30/hour**
With opportunities to grow.

The How (the loop)

1. **Join & Bootcamp (up to ~6–8 weeks)**: universal safety tickets, cultural safety, disaster response basics, then stream-specific intro modules.
2. **Service & Learning (1 year)**: 30-hour weeks (paid) with a blend of field work and lab/class time. All training time is paid time.
3. **Yearly Review & Pathways**: stay and loop back in by advancing as Core staff, switch streams, take an SCC <u>tuition voucher</u> into public post-secondary or trades, or move into external work (with SaskJobs support).
4. **Reservist Option**: after the year, opt into a paid emergency reservist pool for wildfire, flood, and other declared events.

The Where

The Proposed Seven Core Streams.

Environment & Resilience (E&R) Corps:
- Wildland firefighter/fuels tech (FireSmart, prescribed burns)
- Flood & Storm Mitigation Tech (pumps, berms, stabilization)
- Watershed & invasive-species tech

- Soil & Rangeland tech (regenerative practices)
- Greenhouse/hydroponics tech
- Farm-Equipment Retrofit & Right-to-Repair Tech
- Food-Processing/HACCP tech
- Aquatic Habitat & Invasive-Control Tech.

Arts, Culture, Heritage (ACH) Corps:
- Community Journalist
- Documentary and Field Production Technician
- Indigenous Language and Oral History Archivist
- Heritage and Collections Technician
- Public Artist and Civic Designer

Who can Apply

Every person above the age of 17 living in Saskatchewan can apply, regardless of skills, ability, or knowledge, with the guarantee that the SCC will find the best possible role to best fit the applicants needs and wants. If you are ready and willing to serve your community, we are ready to have you.

Training and Credentials

Training is provided both on and concurrent to the job. Lean on the job 3 days per week and in the lab 2 days per week.

This is not just make work. These are honest labour hours, tracked and attested, that train you to achieve real credentials granted outside the SCC, recognized around the world.

Indigenous Partnership and Consent

Projects that may affect Indigenous lands, waters, or rights can only proceed by obtaining the free, prior, and informed consent and co-designed benefits to the affected communities and peoples.

You help build the **Future Saskatchewan**, we help build the **Future You**.
